Producer/Supplier and Associate Members
An overview of the sustaining supplier and associate members involved can be found on our website: www.eurepgap.org

GOVERNANCE

EUREPGAP – A CERTIFICATION SYSTEM
- EUREPGAP is a business-to-business standard. Food safety is no longer a competitive subject. At this level the aim is harmonisation between all market participants rather than differentiation.
- EUREPGAP certification is carried out by more than 100 independent certification bodies in more than 70 countries.
- EUREPGAP is open to all producers worldwide. All standards can be downloaded from our website free of charge.
- EUREPGAP includes annual inspections of the producers and additional unannounced inspections.
- The EUREPGAP quality standard is being continuously developed to consider new market requirements.

EUREPGAP currently* covers the following products with a modular system:

CROP PRODUCTION
- Fruit & Vegetables
- Flower & Ornamentals
- Combinable Crops
- Green Coffee
- Tea

LIVESTOCK PRODUCTION
- Cattle & Sheep
- Dairy
- Pigs
- Poultry

AQUACULTURE
- Salmon & Trouts

ANIMAL FEED PRODUCTION

PROPAGATION MATERIAL PRODUCTION

* further product modules are currently in development

INTERNATIONAL RECOGNITION
Owners of Good Agricultural Practice standards worldwide can seek to demonstrate equivalence with EUREPGAP through an independent benchmarking process.
